FEE SCHEDULE

Effective Date: November 30, 2017. Federal Grain Inspection Service (FGIS) must approve all fees for official services and official agencies will assess only those fees appearing on their current approved fee schedule.

Regular Hours: Monday through Friday 8:00 a.m. through 5:00 p.m. except holidays. All hourly fees will be assessed in half-hour increments. Standby and Travel time will be charged at the applicable hourly rate.

Regular Hourly Rate: \$23.50 per sampler / \$25.00 per inspector (first 8 hours within regular business hours) Hourly charges will be assessed in addition to Official Sample-Lot Inspection Fees. Fremont Grain Inspection Reserves the right to determine the number of inspection personnel to properly provide the service requested.

***Overtime Hourly Rate:** One and one-half times the regular hourly rate. Overtime will be charged outside of regular business hours on weekdays and Saturday.

***Sunday and Holiday Hourly Rate:** Double the regular rate.

Holidays include New Year's Day, Presidents Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas.

Mileage Fees: The IRS standard mileage rate will be assessed per mile actual miles traveled to any requested destination outside the city limits of Fremont, NE by full time employees or outside the city limits of the residence of part time employees (not to exceed mileage from local specified service point). Mileage may be pro-rated where it is possible.

Finance Charge: 1 ½% (1.5%) per month after 20 days from Statement Date.

Personnel Safety: When a customer requests stowage or sampling service from on top of railcars, it is the customer responsibility to make the grain or stowage area accessible. Grain inspection employees do not open and close doors/lids. Also two people must be present during testing, 2 of our employees or 1 of ours and 1 elevator staff. Personnel must be able to "render aid if needed".

Weather Policy: During inclement weather sampling and stowage examinations may be delayed or dismissed when the following conditions exist. High winds, rainfall that creates conditions that are either dangerous to employees and /or degrading to the grain being sampled, lightning, snow and/or ice, any other related and/or facility specific condition that could put employees providing the sampling or stowage services in jeopardy. Adequate lighting must be provided when services are requested after sunset.
