On May 7, 2004, an order was entered in the above-captioned case under the Packers and Stockyards Act (7 U.S.C. § 181 *et seq.*), hereinafter the "Act," which, *inter alia*, required Respondent to cease and desist from failing to pay for livestock and suspended his registration as a cattle dealer and market agency under the Act for a period of five years. The order also stated that upon application to Packers and Stockyards Programs, Respondent could apply for the termination of his suspension after 180 days if there were circumstances warranting a supplemental order. Packers and Stockyards Programs has now recommended that Respondent's suspension be terminated. Accordingly,

IT IS HEREBY ORDERED that the suspension period of the order issued on May 7, 2004, be terminated. The order shall remain in effect in all other respects.

Copies of this Supplemental Order shall be served upon the parties.
